BWSC Wins Champion School Steer at Canberra Royal Agricultural Show

All four cattle placing as outlined below.

- **1st** National Capital Domestic School Heifer/Steer Heavy weight class bred by Mr and Mrs Kelleher. This steer continued to win **School Champion Steer of the Show**.

- **2nd** National Capital Domestic Commercial Heifer/Steer Export class bred by Mr and Mrs Cole.

- **3rd** National Capital Domestic School Heifer / Steer Heavy weight class bred by Mr and Mrs Cole.

- Highly Commended National Capital Domestic Commercial Heifer/Steer Export Class bred by Mr and Mrs Kelleher.
Term 1 is drawing to a close and what a busy term it has been.

Brisbane Water Secondary College is undergoing a major recruitment drive with many new permanent positions being advertised. These include a new College Principal to replace the retiring Sally Conn which should be finalised by the end of the term.

The Umina Campus School is advertising for the Deputy Principal position to cover the position left vacant by the promotion of Kirrily Harvey who has been appointed Principal at Tuggerah Lakes Secondary Campus The Entrance.

The Umina Campus has also readvertised the librarian position to cover the transfer of Dianne Gill to Glendore Public School in Newcastle.

Finally it is my pleasure to announce that the school has been able to permanently appoint Richard McKay as an Agriculture/Science teacher. Richard has been a dedicated staff member over the past 5 years and has been integral to the overall success of the agricultural program.

The continual school improvement program is progressing steadily with the new Support Unit area completed. This has seen 3 classrooms completely refurbished and the installation of a new kitchen, bathroom and outdoor play area. The TAS areas of the school have also been undergoing upgrades with modern equipment, fridge, freezer and ovens being purchased for the Food Technology areas. The Woodwork and Metalwork areas are also being developed with benches, walls, tools and storage areas undergoing a modernisation process.

On the farm an area has been cleared to allow the installation of a new hothouse along the fence line adjoining the creek. This will allow students to explore their horticultural studies right through to the Higher school Certificate.
The issue of heat has been a cause for concern raised by staff, students and parents. This is being addressed in a variety of ways. These include the installation of blinds in many parts of the school. The most recent being in lower B Block this weekend. Transfield, as part of planned maintenance, have just replaced or repaired 48 fans throughout the school and a proposal for an industrial fan in the school hall is before the P and C. This fan will not only make it more comfortable for students in PDHPE lessons- but allow parents to sit more comfortably during presentations, award evenings, concerts and expo evenings.

These school improvements have been initiated by Student Voice and parent forums and will continue over the next few years. To follow the developments please like us on Facebook and remember to install the Brisbane Water Secondary College App on your smart phones.

Students in all years are undertaking practice for their impending NAPLAN examinations. Year 7 and 9 have undertaken practice examinations to identify strengths and areas for development. Year 8 will undertake a similar program in term 3 this year. This it is hoped will complement the schools Focus on Reading program whereby all staff have been trained to ensure a consistent message in terms of literacy is delivered.

Finally, I would like to thank parents who gave up their time to attend parent forums at our partner Primary Schools over the last three weeks. These forums have been instrumental in allowing the Campus to plan for the next 2 to 5 years. This planning process is quite involved but through Local Schools Local Decisions allows me to target funding to more directly meet the needs of our community.

Have a great Easter break and looking forward to an exciting Term 2.

Brent Walker
Principal
Brisbane Water Secondary College
Umina Campus
ZONE SWIMMING

BWSC Umina sent a team of 31 students to represent at the Brisbane Water Zone swimming Carnival held on 5th March 2015.

Students enthusiastically cheered each other on to some magnificent results in the pool, and as a College BWSC achieved a commendable 3rd place against 8 schools in our zone.

Congratulations to Charles Polson and Lachlan Braddish who were Age champions of the meet.

Lachlan Braddish, Luke Brown, Cooper Jack, Shanae Milne, Charles Polson and Brianna Woolsey as well as our Girls 12yrs, Boys 14yrs, and Girls 15yrs relay will be swimming at the Sydney North Regional Swimming at Homebush. We wish them all the best!

Mrs Hocking
**Attendance and absences**

Parents or caregivers of children from Kindergarten through to Year 12 are responsible for ensuring their child attends school every day that the school is open for instruction or participation in school activities, such as sports days. A small number of absences may be justified if your child:

- has an unavoidable medical or dental appointment (preferably these should be made after school or during holidays)
- has to go to special religious ceremony
- is required to attend a serious and/or urgent family situation (e.g. a funeral)
  - is too sick to go to school, or has an infectious illness.

If your child has to be absent from school for any reason, please inform either your child's Team Leader or the administrative assistant at the school by phone, email, SMS or written note as soon as possible, or within seven days.

*Failure to explain an absence within this time will be recorded as an unjustified absence on a student’s record.*

**What should I include in the written note to explain an absence?**

This note *must* be written and signed by the parent/carer. Please include:

- Student Name and Rollcall (class)
- Date of absence
- Reason for absence
- Signature and Contact Number

Schools will inform parents if a student is absent from school without explanation.

**What should I do if our family is going on holiday in school time?**

Families should try to arrange holidays during school vacations. If they can only be arranged during school time, you should contact the Team Leader in advance to discuss the matter.

**EARLY LEAVERS PASS**

All secondary students who wish to leave school during normal school hours must carry a special leave pass issued by the school.

Students requiring an early leavers pass are to report, with their note, to Mrs Gilchrist in Student Reception before school.

**What should I include in the note requesting an early leaver pass for my student?**

This note *must* be written and signed by the parent/carer. Please include:

- Student Name and Rollcall
- Reason for early leaver request
- Time student will be leaving school
- Signature and Contact Number

If you would like further clarification on any attendance issue please contact me on 43419066

Mrs Judy Gilchrist

Head Teacher Administration
‘Give Up Your Bed’

On Thursday the 19th March all SRC students will be participating in the ‘Give up Your Bed Event’ to raise money for Coast Shelter. They will be required to trade in their pillows and mattresses for one night and sleep on the Library floor to experience first-hand what it would be like to not have the luxuries of a home or bed. All money raised will help Coast shelter provide accommodation and support to people who are homeless or at risk of homelessness on the Central Coast. The SRC have broken into 4 separate teams: the blue team, red team, green team and pink team and will be competing to raise the most amount of money. All together they have set a target of $1000 in which they are raising money through lolly box guessing competitions and through donations. You can also donate and help the SRC achieve their goal by going to the following website: https://giveupyourbed2015.everydayhero.com/au/bwsc-src

Just remember to leave a note notifying what colour team you would like to donate to. Every cent counts towards eradicating homelessness on the Central Coast.

‘State Elections at BWSC’

On Saturday the 28th March BWSC Umina Campus will be hosting the NSW State Elections. During the day SRC students will be running a BBQ for the event with all proceeds going towards helping the SRC participate in a number of fundraising, charity and social events in 2015. The BBQ will fire up at 8:00am to start the event, selling Bacon and Egg rolls for breakfast in the morning and will continue throughout the day selling sausage and steak sandwiches for lunch as well as cans of drink. Make sure that you support the BWSC SRC students, as they have a number of aspirations and projects they would like to participate in throughout the year.
What a busy term Team 8 have had. All of the students have settled in well to their lessons and are working hard. Students in Team 8 receive regular homework and should be completing this regularly. Homework is important in supporting students’ learning and reiterating what they have learnt in class.

I would like to take this opportunity to remind students that diaries need to be signed by parents each week and they are an important communication tool.

Homework Centre is available on Tuesday afternoons between 3-4pm and is a time where students can access one on one support with their classroom teachers. We have been pleased to see some of our Year 8 S class students attending in the past few weeks. Hope to see more of you there!

I wish to encourage our students to continue to work hard for the rest of the term and wish you all a safe and happy Easter!

Thank you Mrs Burns and Mr Lawler

Some of our year 8S 1 students completing their Tell Them From Me survey this week…
Brisbane Water Secondary College Wins Champion School Steer at Canberra Royal Agricultural Show Report

24th – 27th February 2015

Twenty one students and four cattle represented BWSC at the Canberra Royal Agriculture Show. Preparation and training of cattle began last November and continued throughout the Christmas holidays and commencement of the school year.

Seventy five cattle were prepared for competition by fifteen schools and twenty one pastoralists from throughout NSW presenting a very competitive field.

To the right: Champion National Capital Domestic School Steer bred by Mr and Mrs Kelleher led by Abbie Tierney sponsored by Umina Rotary Club

The college continues to maintain its successful record achieving excellent results.

All four cattle placing as outlined below.

- 1st National Capital Domestic School Heifer/Steer Heavy weight class bred by Mr and Mrs Kelleher. This steer continued to win School Champion Steer of the Show.
- 2nd National Capital Domestic Commercial Heifer/Steer Export class bred by Mr and Mrs Cole.
- 3rd National Capital Domestic School Heifer / Steer Heavy weight class bred by Mr and Mrs Cole.
- Highly Commended National Capital Domestic Commercial Heifer/Steer Export Class bred by Mr and Mrs Kelleher.

Students who attended are to be commended for the professional teamwork that was displayed while preparing cattle and presenting them for judging throughout the show. While the senior students were excellent stewards assisting with the weigh in program for all cattle.

Continuing camaraderie between students was enjoyed with St Johns College of Dubbo throughout the week. This concluded with a combined dinner Thursday night.
Approximately 200 students competed in the Paraders classes where BWSC was well represented achieving the following results:

2nd Luke Brookes 17 Year old class, 3rd Isaac Jones and 5th Keely Tribemorgan 15 Year old class, 5th Jake Barrett 16 Year old class and 5th Billy Sharpe 14 Year old and under class.

To the left: 3rd National Capital School Steer Heavy weight class breed by Mr and Mrs Cole of Condobolin led by Lucy Fisher sponsored by Umina Rotary Club

Above: Isaac Jones placing 3rd in the 15 Year old Paraders Class
The Cattle Show Program equips students with a diverse range of skills including teamwork, communication, work ethic and professional cattle handling and preparation thereby developing employability skills for the future.

We would like to thank Mr and Mrs Cole for visiting the show, encouraging the students and providing two steers for Canberra Royal. BWSC would like to extend our sincere appreciation to all the breeders who support the program, Umina and Woy Woy Rotary Clubs for their continuing sponsorship and interest in the students. The voluntary support of Mr Kevin Smith driving the bus and catering for all students is also very much appreciated.

Students are focusing on completing the preparation of cattle for Sydney Royal Easter Show in March. Pigs and poultry are also entered for competition.
This term all students have been signed up to the Maths Online program and have received their own usernames and passwords. This program will help in further enhancing your child’s knowledge and understanding of Mathematics. It will be used throughout the year for in class learning as well as homework and private study. It is especially beneficial for students who are actively involved in sports, creative arts, leadership or other extra curricula programs as they are able to easily catch up any missed work.

English Report

“A reader lives a thousand lives before he dies, said Jojen. The man who never reads lives only one.”
— George R.R. Martin, A Dance with Dragons

“You can never get a cup of tea large enough or a book long enough to suit me.” — C.S. Lewis

“It is what you read when you don't have to that determines what you will be when you can't help it.”
— Oscar Wilde

Dear Parents,

The English faculty welcome you to our second report for this year, and would like to share some important information about your child’s studies in English at BWSC.

Firstly, homework is being set on a weekly basis, and we would appreciate your support and encouragement. This will ensure that your child does not fall behind in their academic progress. Every piece of homework completed adds value to your child’s understanding and confidence.

Secondly, speeches are the focus of this term’s work for years 7, 8 and 9. All students are required to read the task criteria carefully and ensure that they address each requirement. Preparation at home is required and this could take four or more hours to produce a speech that they can be proud of. Practising in front of a mirror, then rehearsing to a family member will help them to remember their main points and should reduce their reliance on palm cards.

Thirdly, reading is constantly encouraged for all students. Speed, fluency and understanding are important and will improve if your child reads appropriate material for 30 minutes every day. For the reluctant readers, interesting magazines are an acceptable alternative to a novel.

Finally, Parent-Teacher evening is being held on Tuesday the 24th of March 2015, commencing at 4pm and concluding at 9pm. The English Faculty encourage your attendance. Bookings can be made through the parent portal on Sentral. If you are unable to use this avenue, your child is also able to request that the teacher make a booking on your behalf.

We hope that this information has been helpful to you.

Kind Regards, The English Faculty.
TEAM 5

Year 7 students have settled into high school well. Today they appreciated a Learning 2 Learn day and loved watching The Motivational Media Presentation. On 28 and 29 March Year 7 students will participate in a fun PBL Cartooning Workshop with Joffa Toon School.

8.5.1 in Science are studying Body Systems. They have dissected a heart and have blown up lungs which they found fascinating. During Geography they are enthralled in studying Global Change – Global Inequalities.

Our Year 9 students are studying Equations in Maths, preparing a persuasive speech for English on the Benefits of Reading. During Science they have enjoyed dissecting a brain for their Body Co-ordinations topic. In Geography they are investigating Australia’s Unique Nature.

All team 5 teachers are looking forward to meeting you on our Parent Teacher Evening Tuesday 24 March 4:00 – 9:00 pm. Bookings can be made on line via BWSC Umina website then Parent Portal.

Cooler weather is fast approaching, Team 5 uniform has been beautiful so remember to purchase school jumpers/jackets if required.

If parents/carers need to contact Ms Robson, Head Teacher or Mrs Beckinsale, Assistant Team Leader our emails are: Margaret.robson@det.nsw.edu.au or Janelle.beckinsale2@det.nsw.edu.au.

Cooper Staunton
Charles Poisson
Lachlan Braddish
Courtney Diggelmann
Luke Besley
15yrs Brianna Woolsey
It's been a busy month with students attending the first Barista Course for the year followed a week later by the Whitecard Course.

40 students attended these courses and were successful in gaining the relevant qualifications.

The next Whitecard Course is on Friday June 19. Notes for this excursion are on the Careers website. The next Barista Course is July 31. Again, the notes for this excursion are also up on the website.

A ‘Safe Food Handling’ course has also been organised for students on May 15. Nova skills will be running this course at school for interested students. The cost is $80. For more information and notes, please log onto the BWSC careers website.

TAFE taster courses for term 2 (15 year old students) have been offered to schools and several of our students have applied to attend. Best of luck to those students who have applied.

Mrs Lewis

TAX FILE NUMBERS-
All students have been shown how to obtain their Tax File Numbers on the ATO website, using the new process.

Please be aware that the local Post Office for submitting the application is Gosford. For more information visit the ATO website.

USI NUMBERS-
This is a new initiative by the Government. Students attending any VET courses must have this USI number in order for them to receive their official ‘Certificate of Attainment’ when they complete a course.

This number can be created by logging onto usi.gov.au

This number is for life, the same as a tax file number. Students will be told about this number in the next cycle of careers classes. If your child intends to do the Whitecard Course they must have this number.
Once again our promising artists had their works chosen from over 300 entries, of the 15 participating high schools across the Central Coast, selected for judging and display in this year’s ‘A Central Vision’ art show. Thanks also to our dedicated art teachers who help to inspire, select and organise these artworks. ‘A Central Vision’ has become the region’s most prominent school-supported exhibition. Artworks will be on display at the Gosford Regional Gallery until 15th of April. Well done to our outstanding artists. Mr Phillips – HT CAPA

THE FOCUS this month is on team work and improving and creating opportunities by working together. Team Sixcessful is proud of our students from year 7-9 who are part of the Student Voice Team. Ella-Rose Mercer is one of the Student Voice coordinators. She attended the Central Coast Student Voice Alliance Conference at Gorokan High School earlier this month where she spoke with senior students, in front of teachers and helped share BWSC’s Student Voice Journey. All students worked well together as a team.

Class representatives are:

Claudia Hartman, 761
Jack Colvin, 861
Ethan Pedrana, 961
Tarquin Williams, 962

Student Voice Focus:
Learning environments: how can students influence change?
CCSVA Mental Health Project: Positive Relationships = Positive Mental Health

“Never doubt that a small group of thoughtful, committed people can change the world. Indeed, it is the only thing that ever has.”

Margaret Meade

Student Voice Coordinator
Ella-Rose Mercer, 961
NEW Peeps in 8.2.1

Darcy
What I love: soccer.
What I dislike: people who are downers.
What I want people to know: I’m the class representative on Student Voice

Lachlan
What I love: skateboarding.
What I dislike: storms.
What I want people to know: I like sport.

Kiarna
What I love: spending time on Facebook and making friends.
What I dislike: nothing I can think of.
What I want people to know: I’m a nice person.

Tom
What I love: handball.
What I dislike: bees and wasps.
What I want people to know: I try hard with my school work.

Reflections from some 7.2.1’s:
Our first term in high school

Sophie: I was a bit worried about coming to high school but it has been Ok. I really like cooking and music and the canteen has a lot of options. I have made some new friends as well.

Vanessa: I think high school is great. I am having fun and making new friends. I really like music and English - Geography is ok as well.

Kai: High school has been pretty good so far. I really like sport and PE My teacher say I am
It’s been a great term 1 in Team 1! So many things have been achieved already with many more to come in the remaining year. Year 7 have settled into their daily routine, Year 8 have been kept very busy with AVID processes teaching them to be independent learners and Year 9 are working steadily toward achieving that desirable Gold Certificate.

What’s happening right now in class:

### Year 7

PBL

BWSC Umina Campus has a positive approach to behavior management within the school. It’s called Positive Behavior for Learning or PBL. Its aim is to provide each student with a quality education in a respectful, caring environment that promotes commitment to learning and fosters positive relationships.

Each fortnight the school has a new focus area. The current focus areas for PBL are entering and exiting the room, phones off and away during lessons and communicating issues. The following are the requirement for all students while at school:

ENTERING THE ROOM

- Students must line up in TWO lines outside each classroom or learning space.
- Students must not be in another person’s personal space as they line up.
- When instructed by the teacher, the students enter the room in an orderly manner.
- Students must stand behind their chairs until the teacher instructs them to sit.

LEAVING THE ROOM

- Students must stand behind their chairs at the end of the lesson, as instructed by the teacher.
- The teacher will then direct students out of the room in an orderly manner.

PHONES

- All phones should be off and in bags before entering the classroom.

PBL is yet another positive initiatives occurring within the school. Stay tuned for the next PBL focus.
Team 7 Newsletter report:

Time seems to be flying in team 7. We are focussing on Commitment this term, especially displayed through school uniform and by being fully prepared for every lesson by bringing all school equipment. A busy term coming up— but so far so good!

We have had some changes in Team 7: We had to say goodbye to Miss Lewis, who has gone to Terrigal H.S. We would also like to thank Mr Lynch for his time with Team 7.

Mr Gosden—PDHPE  Mr Ross—Music  Ms Maxwell—ATL  Mr Crouch—Team Leader

PBL Update

All Team 7 teachers are actively distributing PB’s for those students displaying our school values of Commitment, Respect, and relationships (which is around 95% of our students!). These are being tallied by Ms Maxwell and students are progressing up the PBL reward scale, with several reaching Silver status. Congratulations team, and keep up the good work.

What’s coming up in Term 1:

- Parent Teacher Night—March 24
- End of Term 1 Concert—March 24
- Toon School for Year 7—March 26 & 27

Reminders:

- NO PHONES in class! Any teacher who sees a mobile phone in class will confiscate it. If you need to check the time—find a clock on the wall or use a watch.
- BRING EQUIPMENT! All equipment will be checked during roll call classes every Tuesday.
- The homework centre is now on every Tuesday so if you need help with assignments or just want to complete some extra study then come down to the library at 2:45pm and get some quality assistance.
- ATTENDANCE: All students with unexplained absences, please get your notes into your roll call teacher with a reason, date and parents signature ASAP.
- GET TO SCHOOL ON TIME!! Detentions are being given to those students that have been arriving late to school, so remember to set an alarm before you go to sleep.

Looking forward to the remainder of Semester 1 in Team 7 and across the whole school,

Mr Crouch (Team Leader)

- Ice Cups: $0.80
- Zooper Dooper: $0.50

## TERM 2 & 3 ONLY
- Pies - Large: $3.20
- Potato Pie: $3.20

## FRIDAY BREAKFAST ONLY
- Bacon & Egg Rolls: $2.00
- Hash Browns: $0.50

---

We are looking for more volunteers. If you have a few hours to spare we would love to hear from you. Call Michele on 43416722.
It has been a pleasing start to term one for our students who have enjoyed the benefits of a wide variety of activities and lessons. Students have impressed teachers with their continuing enthusiasm for learning and their dedication to working to the best of their ability in many of the different subjects they undertake.

Year seven have been welcomed into the team and are settling into their routine well. They have enjoyed taking part in so many different lessons and most notably Science where they have completed their Bunsen burner licence test. They have also carried out a range of practical investigations related to being a scientist which they have thoroughly enjoyed.

Year 8 have also been performing exceptionally well in most subjects and again, in Science, have carried out a number of dissections of the heart, a chicken wing looking at how muscles and bones work together to perform movement, and also the kidneys. They proved to be very able and competent scientists in these activities and we may just see a few surgeons emerge in later years.

Our year nine classes are working well in their senior year and have enjoyed the opportunity to involve themselves in their chosen elective class subjects which they have all taken part in and shown strong interest and abilities to perform to a high standard. Most have completed their first assessment tasks in each of the subjects they have undertaken and their teachers have been impressed by some excellent results which is pleasing.

All students have had the opportunity to be involved in a range of extracurricular learning opportunities such as the year seven learning to learn day, the environmental science day, forensic science workshops, swimming carnivals, Tell Them from Me student surveys, Focus on Reading activities, agricultural shows, art workshops, sporting team involvement and many more.

Well done students and here’s to wishing you a successful start to term 2 after the school holidays.

Assistant Team Leader
