Central West NSW Adventure

Nineteen students from Year 7 – 10 headed out to Central West NSW for an adventure farming week on Monday 8th June. The trip was a fantastic adventure for all the students who learnt so much from having the opportunity to visit and work on commercial farms. Meeting students from Central West NSW was also a highlight.

The students and staff would like to express sincere thanks to the farming community that made this trip possible.
Principal's Report

Term 2 is quickly drawing to a close and I’d like to thank the staff for their wonderful work in preparing student reports. It has been a great term and I have been very impressed by our student achievements in a wide range of sporting, cultural and academic pursuits.

Brisbane Water Secondary College is currently undertaking an extensive ‘student voice’ initiative to ascertain how students like to learn and their thoughts on schooling at Brisbane Water Secondary College. The school will also host a forum for all students across the Central Coast in the library looking at a collective voice for students in this growing area. This Student Voice Alliance will be complemented by information gathered from parents and teachers at the school and those from our partner primary schools. This information will then regularly be reviewed as part of the ‘BWSC Strategic Plan’ for the next three years, as we endeavour to make our outstanding school even better by attempting to meet the specific needs of our community.

The campus is also continuing to upgrade facilities with a facelift being undertaken in the library, by creating a boardroom. The purchase of 30 chrome books will make it a centre point of the campus to hang artworks and modernise its appearance to make it a 21st Century learning space.

The new Support Unit area looks outstanding and parents, staff and students love the changes. Unfortunately the grass in the outdoor area has not worn well and synthetic grass is being sourced to make the area more durable particularly in the winter months.

It is with great pleasure that I announce that Aboriginal Education Officer Morrie Goolagong has begun at the school and is working on students’ murals to be hung around the school. Morrie is an exceptional artist and he is imparting skills for all students at the school. The campus is in the process of recruiting two new members of staff to cover the promotions of Sean Connell (Head Teacher Teaching and Learning Tullybuc Central School) and Adam Montgomery (Deputy Principal BWSC Umina Campus). These Science and Head Teacher PDHPE positions will be finalised by early next term and we are expecting a very strong field of potential candidates.

On the topic of school improvement I would again like to take this opportunity to thank the amazing contributions and tireless work of both the Umina and Woy Woy Rotary Clubs. Their support of the school farm has been overwhelming and has allowed students of the peninsula opportunities in Agriculture that are simply amazing.

Woy Woy Rotary have also been working hard with our student leadership team to implement an interact project whereby a breakfast program is run every Wednesday at the school. This program is proving very successful and I’d like to thank Mr Myszkowski, Ms Crump and all the students involved for this wonderful community project.
These strong community links are greatly appreciated by the entire school community. Any business or individual wishing to undertake a similar arrangement is encouraged to contact me at the school to discuss opportunities available to support students’ education at the College. Current examples of successful partnerships include Woy Woy Rugby Union’s involvement in maintaining the school ovals, and iiNet’s sponsorship of the school bus.

Overall, there are amazing programs and initiatives that are occurring across the College. Please promote the great work that is taking place and encourage parents who have historical doubts to contact me for a tour of the school. Also feel free to suggest that they look at our school promotional video which can be accessed through our school website and Facebook page.

Looking forward to a great Term 3

Brent Walker  
Principal

Deputy Principal's Report  
Adam Montgomery  
Deputy Principal

As we come to the end of another very busy semester I would like to take time to reflect on the great achievements of both students and staff and thank all parents and the community for their ongoing support.

After having the pleasure of reading the student reports I would like to congratulate the students on their pursuit of excellence within the classroom. I look forward to celebrating these achievements at the Academic Assembly early in Term 3.

Outside the classroom the students have continued to achieve at their personal best with outstanding performances from students within the Agriculture, CAPA and Sport programs. More recent performances have included the successful aerobics and cheerleading teams qualifying for the National Championships to be held in Qld in August, and super coach Mr Crouch with his Buckley Shield Rugby League team crowned Central Coast Champions again!

With the educational landscape rapidly changing I would like to thank all staff for their dedication and willingness to adopt new teaching practices to improve individual student learning outcomes. Staff have initiated the first phase of their annual Performance and Development Framework focusing on reflective practice and improving teaching quality. During Semester Two staff will be developing their implementation of the Focus on Reading Literacy Program, with parent sessions planned for the second half of term 3.

Lastly I would like to thank all parents and caregivers in particular the P&C for the ongoing support of the College. We are currently updating Campus policies and we value the contribution of the community in this process. The new Campus Assessment policy will be published during Semester Two.
TERM 2 CONCERT 2015
**Team 1**

**What's coming up in Term 3:**
- CHS cross country 17th July 2015
- Education Week 27-31st July 2015
- Yr 9 into 10 parent evening 26th August 2015
- Year 7 Snow Excursion 26-28th August 2015
- CHS Athletics 3-4th September 2015
- Parent Teacher Night 8th September 2015
- College Musical 14-16th September 2015
- Last Day of Term 3-18th September 2015

Can you believe that we are half way through the year already? With so many achievements in Team 1 there are still so many opportunities left to come in the remainder of the year.

With Term 2 coming to a close it is important to stop and reflect on what has been achieved and congratulate those who have.

The Silver and Gold students were rewarded for their continued effort and application in class on Wednesday on the reward excursion where they were given the choice of Put Put Golf, the movies, ice skating, laser tag or bowling. Congratulations to all students on your reward for effort:

**What did team 1 get up to this term?**

We have some talented students in team 1deful! Just look what they have been doing!

**Art Camp at Cockatoo Island:** Abbey Rivers- Lloyd, Lauren Murray, Phoebe Mottlee

These girls are part of the art club and went away with a group of other students to Cockatoo Island on a three day camp where they refined their artistic abilities.

**Zone Cross Country Carnival:** Zeniff Martin, Mathew Sarayeldin, Piper Riddell- Glisenan

After coming in the top 6 of the school for their age group these students travelled to Adcock Park to compete at the Zone Carnival.

**Athletics Carnival:** Jake Kay, Mathew Sarayeldin, Piper Riddell-Gilsenan, Emily Yannis

Finishing in the top two at the school Athletics Carnival these students travelled to Mingara to represent the school. Jake Kay came second in discus and as a result made it through to State to be held down at Olympic Park in Sydney. Well done Jake!

**Rugby League:** Jacob Kaster and Cameron Deacon represented the school in the U14’s Country Cup Rugby League side.

**Futsal:** Jess Lam, Mathew Sarayeldin and Ethan Johnson made the school Futsal side with Jess Lam’s U14’s side making it through to the champions of champions competition in Newcastle where they narrowly missed out on a finals birth.

**Netball:** Piper Riddell-Gilsenan represented the school netball team.

**Touch:** Mathew Sarayeldin represented the school in touch football.

Looking forward to an incredible rest of the year in Team 1 and across the whole school,

Mr Gosden (Team 1 ATL)
Brisbane Water Secondary College students from Year 8 and Year 10 were invited to attend this year’s Visual Art Camp on Cockatoo Island. Cockatoo Island is a world heritage listed island situated in the middle of Sydney harbour.

Ms Mason, Ms Baynie and Mr Laffan accompanied students on a three day adventure, which included going to the Museum of Contemporary Art and Imax at Darling Harbour, Vivid light festival and lots of opportunities to create art and take photographs.

Ferry ride to Cockatoo Island

Sunrise sketching overlooking Sydney Harbour Bridge

Photography scavenger hunt around the Island
As we finish up on a very productive Semester One, we look forward to welcoming our new Year 7 & 8 classes to Visual Arts for Semester Two… Our awesome Art students amazed us with their creativity in portraiture, perspective, ceramic masks, lino printing, Aboriginal art and sculpture… Looking forward to the creations to come…
Team Tworrific students and staff have been working very hard this term so everyone was glad to have some fun down time at the recent Athletics Carnival. We congratulate all those students who competed or supported their friends and houses.
Team Two-rific students and staff have settled well into term two. It is a busy term with assessment tasks in all subjects, the Athletics Carnival, Semester One Reports and the end of semester Rewards Day. We encourage all students to organise their study schedule and seek help with assessment tasks so that they can achieve their best. Team Two is endowed with many students who consistently demonstrate the school’s core values of commitment, respect and good relationships. Those who reached Bronze level recently enjoyed an icy, flavoursome zooper dooper. These are some of those students.
Team 2 continued:

Motivated by love and respect for his grandparents who both died of Leukaemia, Alex Tuthill raised $1283 in the World’s Greatest Shave. Alex recommends the experience for others and said, “Shaving your hair isn’t a big deal if you’re doing it for a good cause.” Alex’s father also volunteered to have his head shaved to boost his son’s fundraising total.

Did you know?

Many of our students participate in extracurricular activities that develop their skills, extend their interests and help the community.

Elaura-Jane Sullivan loves all aspects of visual storytelling and enjoys making short films using her iPad and GoPro. Now represented by a top Sydney acting agency after a successful audition Elaura-Jane would like to work in the TV or Film industry directing, writing and doing stunt work.
In Class -
Yr8 have been using their skills and learning to touch type. This has proved to be a challenge for some but I do hope they decide to work on developing their skills more in their own time.

Yr9 - By now ALL year 9 students have completed 3 lessons drafting and typing up their resumes. If students worked consistently in class their resumes will now be complete. Some students however, may need to fine tune their resumes in their own time as they will not be worked on again in class until Term 4, in preparation for the Mock Interviews.

USI
All Yr9 students have now been shown how to apply for USI numbers. For all future courses including the Barista and Whitecard courses. Students must produce the USI number before the course commencement. Failure to do this unfortunately means they will not be allowed to complete the course.

Yr9 Taster Courses -
Several of our students have attended courses this term at TAFE; Hair & Beauty and Automotive. The students have enjoyed learning skills of the trade and the opportunity to try something new.

The close of the term sees several boys attending an NRL work experience program and another working at the Reptile Park

The upcoming Barista course in July is now full. All new courses will be up on the BWSC Umina Careers and Transition website after that.

Mrs Lewis
Brisbane Water Secondary College, Year 7 students have all been entered into the Premier’s Sporting Challenge. This is an initiative to increase the level of activity for students in NSW schools, which is important due to the increasing levels of inactivity within the community.

Students are up to Week 4 in this initiative where they are working to complete the colouring-in of the activity boxes in the students log books. These log books are distributed and completed during roll call for a total of ten weeks. Students in each team will be competing against one another to try and be the most active team across all of Year 7. Every student who participates will receive a certificate.

Our Year 7 class have also had an amazing semester in Visual Arts. Students learnt about drawing and observation skills which led to a self-portrait with amazing results followed by creating a mask from clay.

As Semester 1 finishes Team 3 would like to congratulate the students who have achieved Silver in our PBL program. We hope you enjoyed your rewards excursion this week. As you read your reports over the holidays each student is encouraged to reflect on what they have achieved this semester and make a goal, one area that they want to improve on, for Semester 2.

Have a safe and happy holiday and see you Term 3.

Team 3 - Ms Crump Team Leader and Mr Dixon Assistant Team Leader

9.3.1 Joshua Aspinall, Lucas Eaton, Amy Fitzpatrick, Matthew Hogg, Jairo Jayabadi, Chloe Kemp, Kauri Langley, Nadja Lord, Elly Magee, Gwyneth Pale, Chloe Shaxson, Annelies Van Wengerden, Maddison Wallace, Coryn Wasserman

9.3.2 Summah Blundell, Adam Boxesell, Rhys Brilley, Lily Cox, Bailey Donnelly, Brendan Kelly, Laurence Kershaw, Emily Myors, Breanna Noble, Rebecca O’Donnell, Hayden Paris, Dylan Rizzardo, Ben Spencer, Ryan Sullivan, Tyler Ward, Andrew Wing, Kaleb Wishart

7.3.1 Courtney-Lee Apps, Tenesha Bartlett, Marley Delaney, Chadwick Dickinson, Dylan Eyles, Madison Green, Sheridan Hicks, Izabella Holder, Ryan Jarmain, Jasmine Jones, Liam Langsford-Smith, Chelsea Norman, Britney O’Neil, Tamikia Purves, Kiarna Reeves-King, Angie Shaxson, Sally Uphill, Jacob Wood

8.3.1 Ashleigh Collins, Meleina Cosstick, Jackson Flannery, Elizabeth Gilham, Jacob Hulbert, Tyler Jeffery, Eliza Mainland, Kate McElligott, Tyla Morris, Dayna Morriss, Joshua Quarterman, Alaiyah Saunders, Alex Schofield, Billy Sharpe, Jamie Unsworth, Logan Unsworth
Big Boost for Bronze!

Congratulations to those students who are already on BRONZE level! Keep collecting your PBs for a chance to participate in the team reward excursions and to receive other privileges.

Remember if you are on a code (behaviour monitoring card) that it is YOUR responsibility to get it signed each period and NOT LOSE IT! This is up to YOU not to forget to get it signed or forget and leave it at home.

Please remember to wear your BWSC school jumper as the winter months roll in. NO HOODIES, NO POLOS, NO CANVAS shoes please!

HUGE THANKS

A huge thanks to Ms Reid who did an awesome job as ATL for Team 4 during Semester 1

CAPA CLASSES – A huge congratulations to our CAPA Kids who have been involved in some amazing achievements recently:

- Our awesome Dance teams in 7, 8 & 9 who all got selected to perform at this year’s Central Coast Dance Festival.
- The Amazing Aaron Robinson for selection for Youth in Performing Arts.
- Our incredible Cheerleaders, Dancers and Aerobics girls who are performing at the State titles
- Chloe Golding, & Ruby Heighington who performed at our ANZAC Ceremony.
- All of our CAPA performers who wowed audiences at Variety Night & Term Concert.
- The brave students (and teachers) who spent 3 days at the Cockatoo Is. Art Camp.

AWESOME EFFORTS!
Congratulations to Team 5 students who had a successful and fun day competing at our recent Athletics carnival.

Our dedicated students who have achieved silver or gold level this semester would have received a permission note inviting them to attend our PBL rewards excursion. Well done to all these committed and respectful students.
Congratulations to our top academic achievers for their efforts in terms 1 and 2. As Thomas Edison said, “There is no substitute for hard work.”

Central West NSW 2015 Newsletter

Nineteen students from Year 7 – 10 headed out to Central West NSW for an adventure farming for a week on Monday 8th June.

The excursion started at the property “Lachlan Dale” owned by Richard and Heather Cole at Forbes. We camped there for three days in the beautiful old shearing shed while students developed skills in many farming practices.

The day started with getting up at 5.30 am to bring 190 cows in for milking at the Dairy. Marking lambs, shearing sheep, milling feed, feeding the pigs and handling cattle were some of the activities we enjoyed.

There were Farm visits throughout the week, the first being the Sheep Sales at Forbes. Students watched 37,000 sheep auctioned on the day in the most technological livestock exchange facility in the Southern Hemisphere. They learned about different breeds and markets and were amazed at the scale of the sales. We bought 6 store cross bred lambs to bring back to school to grow on.

Day three we visited “Lachlan Merinos” a world famous Merino Stud where we learned about the production of superior quality Merino wool and meat.

Mr Rubie showed the students his property, flocks, flock and stud rams where they also learned about Artificial Insemination.

Mr Rubie kindly donated a very interesting book to the Agriculture Department on sheep and wool production.
That afternoon we visited a large cropping property called “The Shanahan Farms” which grew Wheat, Barley and Canola. The students were overwhelmed at how large the machinery was and the technical accuracy achieved through Global Positioning Systems and Automated steering from satellite guidance.

Day four we moved to Bedgerabong Showground and participated in the Interactive Youth Pig Show. 93 students entered from schools throughout the Central West NSW. Students competed in Pig preparation, Pig Parading, and Pig judging competitions. There were interactive workshops including Artificial Insemination and Pig disease management. BWSC was highly competitive in the Junior Judging, Presentation and Parading competitions. Congratulations to the students who placed in these events.

The final day was a Pig Auction and buyers came from as far as Western and South Australia. 70 pigs were entered for sale. BWSC brought a young Berkshire female who placed at Sydney Royal this year and she achieved the highest price of all Berkshires! Mr Neville Chad the Sydney Royal Judge 2015 donated a book he has just released on Pig production to the Agricultural Department.

The trip was a fantastic adventure for all the students who learnt so much from having the opportunity to visit and work on commercial farms. Meeting students from Central West NSW was also a highlight.

The students and staff would like to express sincere thanks to the farming community who made this trip possible.

- Firstly to Richard and Heather Cole for their hospitality and the opportunities they organized for the students both on their farm and other properties.
- Tim Alexander of Forbes Livestock Sales Centre for talking to the students and subsidizing the cost of the store lambs.
- Mr Rubie for his tour of “Lachlan Merinos” and donation of the Wool Book.
- Lance for his tour of the cropping property “Shanahan Farms” and letting the students see and hop in the world class cropping machinery.
- The Committee who organized the Inaugural Interactive Pig Show and Mr Chad for donating the Pig book.

Every student would go back in a heart beat!
Team 7

Term 2 has been a busy time, with lots of learning, assessments and work being done. The Athletics Carnival was a great day, with the rain holding out for most of the day. It was good to see so many students from Team 7 in their house colours, as well as participating in so many events.

Our targeted sport rugby league boys have had some success, winning the Central Coast Buckley Shield gala day. They now enter the state draw and will do the school proud as they play against teams from all over NSW. Well done and good luck boys!

Many of our students have been invited to the Rewards Excursion – congratulations to those students that have worked for and collected their PB’s, as well as having minimal negative comments. Hopefully next time, we will have all students going.
A day in the life of 8S1

A day in the life of 8S1 is educational, fun, challenging and often entertaining. We have numerous subjects that are enjoyable and some of our favourites include Technology Mandatory, Geography and PE. We have had a vast range of teachers over the year who have encouraged our learning and engaged us in exciting and challenging learning experiences. Below are some pictures that display what we have been working on in class. By Shaylan Petersen

Mr Lawler and I would like to congratulate the following students on achieving 100% attendance for Semester One. These students have demonstrated commitment to their studies, well done!
Lara Beer, Micheila Botha, Elly Charlton, Logan Daniel, Will Macey, Jacob Burgess, Dylan Dawson, Harrison Lill, Angel Sutherland, Saxon Thomas, Samuel Watson, Shaylan Petersen, Emily Turner, Hallie Spencer and Olivia Walton.
Our Dance students have had a busy start to the year. They have successfully auditioned for the Central Coast Dance Festival, and competed in preliminary finals at DanceStar. Congratulations to Ayla, Ella, Tannika, Amy, and Jaime who competed in solo audition categories also. Next month all groups will perform at CCDF, State DanceStar finals and perform at the College Variety Night.
“Don't dis my ability”

The Multicat class in the Support Unit have been having some Tennis lessons from the Australian Disabled Champion of 2013. He is an amazing young man who has given our students something to really aspire to with overcoming a disability. We had some great rallies with the students learning a new skill. “Don't dis my ability” is our mantra.

Have you been out of the workforce for a while?
Do you want a head start on a career change now?
Have you been made redundant?

If you answered YES to any of these questions, Certificate II in Skills for Work and Training is for you!
This 6 months course runs 4 days per week during school hours.

For those of you wanting to go on to further study at University or TAFE, we are also offering a Tertiary Preparation Certificate.

Come along to an information session on Tuesday 23 June 10:00am in NG3A at Wyong TAFE or ring Phil for further information on 4350 2244.

ARCHERY

Hit the target! Coach Peter Fairhall will conduct this program for children interested in trying this great Olympic sport. Peter's program focuses on learning archery skills in a fun and safe environment.

8-15 years $20
6 July, Gosford

CIRCUS AERIAL WORKSHOP

Aerial skills are great fun and in this workshop you will get to have a go on the aerial hoop, the static trapeze and the silks. All participants will need to arrive on time to join in a warm-up and basic tumbling skills before participating in the aerial skills. – 10am-11:30am (1.5 hours).

8-16 years $34
7 July, Niagara Park

GOSFORD TENNIS — 3 day program

This great tennis program caters for all levels. It doesn't matter whether you have never played or if you want to improve your skills. This clinic covers all aspects of the game including court etiquette, the different shots (forehand, backhand, volleying etc) and learning the rules, matchplay and scoring. 3-day course & includes lunch 9am-3pm (18 hrs in total)

5-16 years $130
1, 2 & 3 July or 8,9 & 10 July, Gosford

TENNIS WYONG - 3 day program.

It covers all aspects of the game including court etiquette, technique and rules of the game. Play games, mini-tournament and a small party on the last day. 9am-11.30am (7.5 hours in total) & includes a small party on the last day.

5-16 years $67 (third sibling free)
29, 30 June & 1 July, Wyong

All program fees include GST. For other information on each program, please phone 02 4362 3184 or 13 13 02 or see www.dsr.nsw.gov.au
NEED HELP WITH...
Career advice?
Updating your resumé?
How to take next step?

Central Coast Group Training (CCGT) provide one-on-one career advice sessions that are designed to help you with a range of services including:

- Deciding your career path
- Understanding industry expectations
- Developing interview skills
- Resume and cover letter writing
- Exceeding employers expectations when applying for positions

We also provide Aptitude Assessments which help to identify your current skill level for employment within your desired industry.

Each one-on-one career advice session caters for your individual needs and you can select which services you think you need.

Preparing for your P's

TAFE NSW - WSI is now a provider of Safer Driver courses for young learner drivers.

The Safer Drivers Course is available to learner drivers under the age of 25 who have completed at least 50 log book driving hours.

Earn 20 hours of bonus log book credit by completing a Safer Drivers Course.
