Good learners stop and think about the text that they are reading, viewing or listening.

- **Is this making sense to me?**
- **What can help to fill in the missing info?**
- **What does this word mean?**
- **What can I use to help me understand?**
- **Should I slow down or speed up?**
- **Can we discuss this together?**
- **Do I need a visual?**
- **Do I need to read, watch or listen again?**
